SELF caution

Ordinarily when you have the right version ² equivalent wrong versions will not reveal.

Sometimes when you have discarded the right one you have to regain it by finding which one reacts to suppress or "challenge" one should rewrite the entire pattern in the native language one uses. Run the 2 lines all as one. The Explosions should occur inside ones head

Existence is Eternal existence is
non-eternal; existence is both eternal
and non-eternal; existence is
neither eternal nor non-eternal.
Existence has an end, existence
is without an end; existence both has
end has not an end, existence neither
has nor has not an end.
